WHY REPLACE YOUR WINDOWS AND DOORS?

One of the best ways to modernise your home and make a real difference to its thermal properties is to replace your old drafty windows and doors with new double-glazed joinery.

Ali-Frame is your one-stop shop. We differ from other window and door companies as our team takes responsibility for the entire process. From first contact and site visit to choosing the right windows and doors, we thoroughly explain all the options and installation process.

We make it easy for you and we don't use contractors; all our installers are full-time staff. They are well looked after with ongoing training programmes and career progression to ensure our customers always get the best quality workmanship

Ali-Frame supplies and installs products from Vantage and Rylock. High-end aluminium joinery offers a wide range of solutions that suit all styles of homes, from the contemporary to the traditional, with different designs and finishes to complement your house design.

Ali Frame was founded over 10 years ago, establishing long term partnerships with Vantage and Rylock.

www.aliframe.co.nz

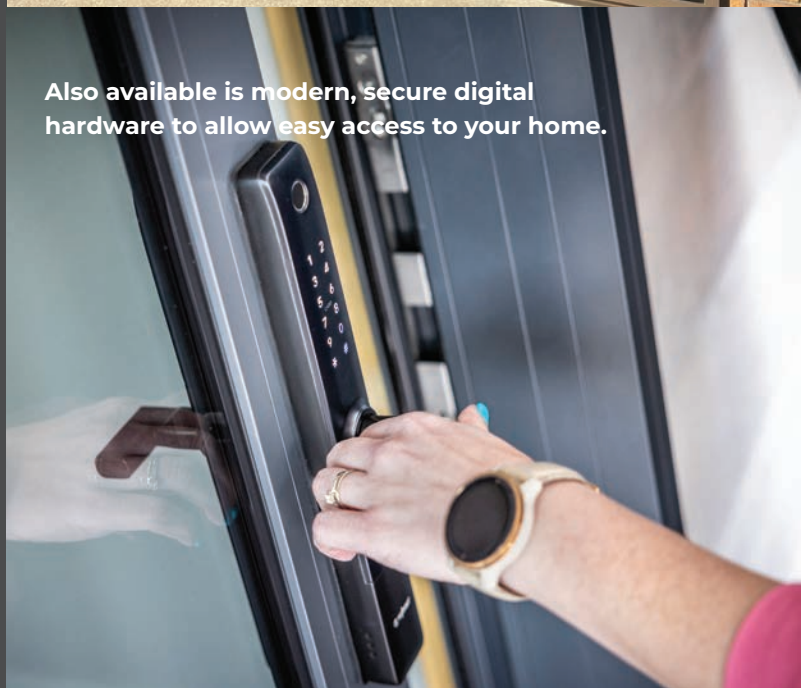

Double-glazing significantly increases the thermal performance of your home and greatly reduces exterior noise.

Create indoor-outdoor flow with doors and windows that easily open and close and never jam.

Also available is modern, secure digital hardware to allow easy access to your home.

WHY CHOOSE ALI-FRAME?

Our customer journey is designed to take the stress out of your renovation project. We believe the satisfaction of our customer is the true measure of success.

Sale Support

Finding your ideal aluminium windows and doors can be mind-boggling, with the many options available. Let one of our sales team help you find the best solutions for you and your home.

Project Management

Bringing the whole project together, we are with you every step of the way. When you are ready, we will organise a visit to check the final measurements.

Manufacture

Once we have planned your project and completed the final measure, your windows and doors will be fabricated locally, utilising experienced fabricators and state-of-the-art machinery for precision workmanship.

Installation

Your job will be carried out by our experienced installers. All our installers work to the stringent New Zealand building code and employ the same standards as advised by Window and Glass Association NZ. We remove all your old windows and doors to finish the job professionally.

Post-installation

With the desire to continue our A-class reputation, Ali-Frame only considers the job is complete once you are 100% satisfied. Any remedial work required will be undertaken before we consider the job to be finished.

**New Zealand-made windows and doors,
we're always refining and innovating
solutions to meet changing needs.**

Vantage is a brand of APL, the largest window solutions organisation in NZ.

ALI-FRAME™
ALUMINIUM WINDOWS AND DOORS

Our commitment to excellence extends beyond providing top-notch products; it encompasses every aspect of our customer experience. We promise to go above and beyond to find the best double-glazed solution for your home, ensuring quality products and exceptional service from our skilled team. We believe the job is not finished until you are fully satisfied.
